

D.A.V. GROUP OF SCHOOLS, CHENNAI

Under the aegis of the Tamil Nadu Arya Samaj Educational Society (Estd. 1970)

Inviting you to join the mission to provide affordable
high quality value-based Education for all strata of society

www.davchennai.org

As we reflect on the last 50 years, we are humbled by the vision and selfless action of a committed group of stalwarts like Shri Jaidev ji and Shri Ram Kalia ji among others, who worked tirelessly to create a model to impart good values and foster academic excellence while ensuring that high quality education is accessible to all. Hundreds of well-wishers who believed in this cause, contributed towards acquiring land and creating the infrastructure. Thanks to them, it became possible for DAV Chennai to remain a not-for-profit organisation in true spirit, providing subsidised education and positively impacting the future of thousands of students every year.

Today, 10 schools, 500 teachers and 16,000 students stand testimony to the surging success of the DAV model and the large-heartedness of society which has contributed to this expansion in the spirit of 'Vasudhaiva Kutumbakam' – the world is but one family and there can be no individual welfare without collective welfare.
